

DIRECT LINE PLUS - GLASS-WASHER

LB406

Glasswasher, basket 40x40cm

TECHNICAL DATA:

External dimensions - WxDxH (cm)	44x53x67
Basket dimensions - WxD (cm)	40x40

ADDITIONAL TECHNICAL DATA:

Tank capacity/hot water heater (lt)	82,6
Electric elem. tank /hot water heater (k)	0,62,6
Washing/rinsing pump (kW)	0,2-
Drain pump	
Water consumption (lt/cycle)	1,8
Door opening (cm)	29,5
Softener	
Supply (N)	230V 1N 50Hz
Weight (kg)	37
Volume (m3)	0.16
Power (kW)	3,4

The LB306 and LB406 are products featuring minimum encumbrance and great versatility, specialized in washing glasses and coffee cups and available in two door heights for washing glasses up to 30 cm tall. The LB406 is equipped with a fixed top perimeter spray arm which also allows the washing of dishes up to 24 cm in diameter. The extremely small sizes of the LB306 and LB406 make the installation possible even in the most cramped spaces without taking up precious space for other equipment. The theoretical productivity reaches 30 racks per hour thanks to the 120 second cycle; the best balance between effectiveness and efficiency. The double wall door limits heat loss and noise when the machine is encased into the bar counter.
